RESEARCH & DEVELOPMENT

OUR R&D TEAM IS AT YOUR DISPOSAL TO DEVELOP CUSTOM PRODUCTS ACCORDING TO YOUR SPECIFICATIONS

TRENDS WE FOLLOW:

LOCAL

We offer a wide choice of raw material origins from inside and outside Europe.

ALLERGENS & ADDITIVES

We have reduced our allergens from 7 to 4 and are adapting our recipes to reduce the presence of additives.

ANIMAL WELFARE

We have our own sourcing and we maintain close relationships with our suppliers in order to meet specific requirements in terms of breeding and animal welfare.

QUALITY CONTROL

RIGOROUS QUALITY CONTROL PROCEDURES ARE APPLIED AT EVERY STAGE OF THE PRODUCTION PROCESS

from the supply of raw materials to the finished product to ensure the best quality of our products.

CERTIFICATIONS

All our products are tested and analysed by an external laboratory accredited according to ISO standards.

Our facilities are
IFS, HACCP and
Halal certified.
