

COOKED POULTRY MEAT

Europa Cuisson is a family business founded in 1990, specialising in cooked poultry meat.

BELGIUM

MARQUAIN

- **Head office**
- **Processing plant**

OUR HISTORY

1990 — Formation of the company

1995 — Move to a new factory in **Wauthier-Braine** (2.000 m²)

2004 — Acquisition of a second production facility in Wauthier-Braine (3,500 m²)

2009 — Acquisition of Hendricks in Maasmechelen (4.000 m²)

2012 — Acquisition and expansion of the Marquain site (7-hectare plot of land)

2013 — Centralization of the corporate headquarters and all production sites in Marquain

2014 — **Relocation of our entire inventory to Mouscron (capacity: 8,000 pallets)**

2015 — Expansion of the production facility in Marquain (2,000 m²)

2017

- Construction of a **cold store** in **Marquain** (capacity 8000 pallets)
- **Acquisition of a slaughterhouse and a deboning & cutting plant in Poland**

2018

- **Acquisition of a processing plant in Poland**
- **Installation of +4000 solar panels in Marquain**

2019

Installation of a 3rd cooking line

2022

Construction of a wind turbine

2023

Installation of a 4th cooking line and implementation of HPP technology

2025

Implementation: 2nd breaded line

2026 › 2027

Automation Expansion (2.500 m²)

ABOUT US

MISSION

To satisfy customer requirements by meeting their expectations with quality products.

VISION

To nurture customer loyalty, boost our presence in Europe and expand our sales on new markets.

VALUES

QUALITY

Compliance with international quality and hygiene regulations and standards.

INNOVATION

Constant research & development of new products and improvement of technical processes.

SERVICE

Fast processing of customer requests by a team of dynamic professionals.

GREEN INITIATIVES

WATER TREATMENT

Wastewater treatment via on-site treatment plant.

GREEN ENERGY

- Installation of solar panels in 2017.
- Construction of a wind turbine.

RESEARCH & DEVELOPMENT

Our R&D team is at your disposal to develop custom products according to your specifications

Trends we follow:

LOCAL

We offer a wide choice of raw material origins from inside and outside Europe.

ALLERGENS & ADDITIVES

Allergens have been reduced from 7 to 3 and recipes are being adapted to reduce the presence of additives.

ANIMAL WELFARE

Specific requirements in terms of breeding and animal welfare can be answered thanks to our close relationship with suppliers.

QUALITY CONTROL

Rigorous quality control procedures are applied at every stage of the production process

from raw material supply to the finished products, so as to ensure the best quality of our products.

CERTIFICATIONS

All our products are tested and analysed by an external laboratory accredited according to ISO standards.
